### ARMORED TRAIN IS TAKEN

Czech Commander Orders Arrest of a Russian General After Another Encounter.

By DAVID FRAZER.

Special Cable Despatch to The Sun from the London Times Service.

Copyright, 1920, all rights reserved. HARBIN, Manchuria, Jan. 12 (delayed).—Judging from incidents just reported a state of considerable tension evidently exists on the railway between Lake Baikal and Verkhneudinsk (seventy-five miles east of Lake Baikal).

During a clash between American troops and one of Gen. Semenoff's armored trains two Americans were killed and three wounded. The train was captured by the American troops.

Other clashes are reported between the Czech-Slovak and Semenoff and the Japanese and Americans. Gen. Janin, commander of the Czechs, ordered the arrest of one of Semenoff's Generals.

The allied diplomatic mission has left Chita, travelling eastward. The last unit of retreating Czechs is approaching Irkutsk.

LONDON, Jan. 11.—Russian Soviet troops, which have reached Bala station, almost 400 miles east of Taipei, will be aided by Chinese Bolsheviks, according to a Moscow despatch, quoting advice from Chaitchinsk. It is said the Chinese will operate in the "eastern region."

The Bolsheviks expect soon to encounter Japanese forces sent to eastern Siberia, and the Moscow despatch states the Soviet force will not "undertake any aggressive action calculated to provoke a collision." It says, however, that "the menace of the Japanese and of the Entente vassals in the west will compel the Soviet government to devote a great part of its forces to military purposes."

## TRIESTE ADOPTS 1,000 VIENNA CHILDREN

Helpless Young Victims Make Long Journey.

THURSDAY, Jan. 11 (delayed).—One thousand Vienna children from four to nine years of age, the helpless victims of post war conditions in Austria, arrived here to-day to be assigned to Trieste families for care and possible adoption.

A large crowd was out at the station to welcome the little folks, who appeared tired after the twenty-four hours' ride from the Austrian capital. Hundreds of them were emaciated and undernourished.

### UNION DEBATES ACCEPTANCE.

British Trainmen Not Decided on Government Proposal.

LONDON, Jan. 14.—The Government's reply to the National Union of Railwaymen with regard to the union's protest against the recent proposals of the Government was submitted this afternoon. The executive committee of the union after deliberating and arriving at no decision adjourned until to-morrow.

It is said the Government is willing to make concessions on the wage question but is unwilling to give way on the general principle upon which its recent offer, rejected by the men, was formulated.

### URUGUAYANS IN DUEL.

Former President Wounded Soon After Fight Begins.

MONTEVIDEO, Uruguay, Jan. 14.—Jose Batlle y Ordóñez, twice President of Uruguay, was wounded in the arm during a duel with swords with Senator Leonel Aguirre yesterday afternoon. The ex-President was wounded a few seconds after the beginning of the encounter, for the duel was a surprise.

It is said that Senator Batlle sent his second to Senator Aguirre as the result of an article in the newspaper, *El Pais*, of which Senator Aguirre is a proprietor, charging that the former President was seeking to obtain predominance in the Chamber of Deputies for personal ends.

### THREE U. S. SHIPS IN TROUBLE.

Eastern Queen Arrives at London With Fire in One Hold.

LONDON, Jan. 14.—The American steamship *Eastern Queen* arrived to-day from Manila with a fire in the cargo in hold No. 3.

In a collision in the Mersey between the British steamship *Orduna*, from New York, and the American steamship *Western Queen*, from New York, the hull of the former and the stem of the latter were damaged.

The American steamship *Nemosa* was towed into Gibraltar January 2 by a salvage steamer from America, Spain.

### Vatican Aids Italian Loan.

ROME, Jan. 14.—The Vatican has subscribed 20,000,000 lira to the sixth national loan, according to the *Messaggero*, which says that subscriptions have surpassed 10,000,000,000 lira. This is the first time the newspaper states that the Vatican has participated in such a loan.

### NEW JURY DEADLOCKED.

LOS ANGELES, Jan. 14.—The jury in the case of Harry New, charged with the murder of Freda Lasse, was deadlocked to-night with apparently little chance of reaching an agreement, according to the statement of the foreman.

The foreman reported that the jurors were divided as to whether New was guilty of second degree murder or manslaughter.

## CLEMENCEAU URGED TO TAKE PRESIDENCY

Appears to Be Favorite Over Paul Deschanel.

PARIS, Jan. 14.—Deputies and Senators have held meetings for a discussion of the situation preliminary to the election of the President of the Republic. Several of the Deputies have talked with Premier Clemenceau on his possible candidacy, but the Premier said he did not wish to be a candidate for the office of President, and would not present himself as a candidate, but if he were designated, he thought he did not have the right to step aside.

The general impression in the lobby of the Chamber is that M. Clemenceau's candidacy is favored over that of Paul Deschanel, who suddenly was put forward by his friends, following his reelection as President of the Chamber of Deputies. Deschanel's candidacy is backed by Briand and his followers, whose opposition to Clemenceau is understood.

M. Leon Bourgeois, who was elected as presiding officer of the Senate, said that in choosing him they desired to increase the power and authority of the representatives of France in the council of the League of Nations, and that in the future deliberations to the council France could depend upon his work. He outlined the task to be performed by the Senate as voting taxation, suppressing the struggles among the classes, insuring the stern execution of the Versailles treaty and the provisions of the League of Nations for the security of France and the peace of the world. M. Bourgeois is also mentioned as a candidate for the Presidency.

## JUGO-SLAV TERMS TOLD TO PREMIERS

Plebiscite and Cession of Trieste Basin to Italy Among Demands.

### FUME AND ZARA THEIRS

Albania Should Remain an Independent State, Envoy to Paris Urges.

Special Cable Despatch to The Sun.

Copyright, 1920, all rights reserved. PARIS, Jan. 14.—Premiers Lloyd George, Clemenceau and Nitti last evening heard a complete exposition of the Jugo-Slav viewpoint on the Adriatic situation from M. Trumbitch, representative of Serbia and Croatia-Slovenia. It would be advisable, he said, to begin with a plebiscite by the interested populations and fixing the frontier, giving the Trieste basin to Italy and the islands and the eastern coast of the Adriatic to Jugo-Slavia.

The Jugo-Slav delegation also demands the cession of the cities of Fiume and Zara to their kingdom, which they contend would guarantee to the city of Fiume and its district, with the exception of the port and railway, an autonomy equivalent to that enjoyed by the city thus far and which would be under the safeguard of the League of Nations. The port and railway would be administered directly by the Jugo-Slav State, with all guarantees for international traffic.

With respect to Albania, the Jugo-Slavs contend it would be advisable to change for economic and strategic reasons the frontier fixed by the Conference of London. According to the Jugo-Slav delegation, the best solution of the Albanian question would be to maintain that country as an independent State, as it possesses elements of self government much better than under foreign control.

In connection with making effective the peace treaty of Versailles, inter-allied control commissions have already been named, and charged with making preparations for a referendum in various districts of Schleswig. The occupation of Upper Silesia will begin to-morrow.

PARIS, Jan. 14.—According to the Temps the Supreme Council decided to recognize the complete independence of Armenia and Georgia.

The treaty of peace with Hungary will be delivered to the Hungarian delegates at the Foreign Office at 2 o'clock to-morrow afternoon.
